August, 2013

Dear Parents,

It is hard to believe the summer is going by so quickly. It is time to prepare for our new school year that is approaching fast.

We are now accepting registration in our Religious School for our four year olds, as well as Kindergarten through eighth grade for the 2013-2014 school year. Hebrew School attendance is very important. Please try to make every effort to see that your child attends each session. They miss so much when they are absent.

Please send back the information sheet by Friday, August 30<sup>th</sup>. I use this form throughout the year so it is important that you send it in on time. Also, please fill out the permission slip and send it back with the information sheet. One per family is all that is needed. If your child will be attending a new school, please let me know as soon as possible. A bus list is made and sent to each school. **PLEASE BE SURE TO INDICATE AN E-MAIL ADDRESS** that you would like us to use so we can keep you up to date throughout the year. We will be communicating with you more through e-mail. If you would rather us send you information through regular mail, please let me know. Also, if you have had a change in any phone numbers, please make a note on your child's registration form so that I can update the snow list.
